

Work Session Notes
PARKS & RECREATION
Friday, July 19, 2019 at 4:00pm

Location: Elliott Memorial Park, Weston Oregon

Present: Juan Avila, Loy Knutzen, Annie Davis, Kris Rasmussen and Liz McClure

Purpose:

Liz came from Blue Mt. Foundation for a tour of our park and asked about our other parks. The new mission statement was explained to her.

Notice was taken that we need new ovens and gas lines for safety, fencing solutions along the creek for safety, and sidewalk access for ADA to the bathrooms.

Liz explained the grant process in detail and stated that Weston was eligible.

If Weston is chosen, we will receive an acceptance form, via e-mail, in September 2019.

Work session ended at 6:00 pm.
